OBJECTIVE

Seeking a mid / senior level graphic design position in a friendly, fast paced work environment.

QUALIFICATIONS

I graduated Magna Cum Lade with a Degree in Graphic Design specializing in computer graphics. I have eight years experience as a graphic designer specializing in Marketing design, advertising collateral design, corporate ID design, package design and POP design. I am knowledgeable with HTML, PHP, CSS and Flash. I am a well seasoned commercial photographer with four years professional experience. I am well versed in the entire Adobe Creative Suite CS4 on both Mac and PC. I have managed a small team of junior graphic designers and have exceptional leadership skills.

WORK HISTORY

Inductors Inc: Creative Director, Senior Graphic Designer, Photographer 3/08 - present
Medium Sized Corporation in Irvine, CA. Management experience. Successfully re-created company identity during first month of employment.
